**ADAIR**  
Continued

**COLLECTION:** Extension service sends letters to households on solid waste issues.

**DISPOSAL:** Extension service sends letters to households on solid waste issues.

**RECYCLING/REDUCTION:** Educated 17 businesses and they now collect recyclables for County to pick up. 480 youth participated in Recycling Club Project, 5 youth created recycled craft project, 30 youth worked on recycling information packets. Monthly Spotlight on a business that recycles.

**ANTI-LITTERING:** Two litter convictions posted in paper.

**ANTI-DUMPING:** Extension service sends letters to households on solid waste issues.

**ENFORCEMENT:** Once a dump is located and identified, and if a name is found, the SWC turns name over to County Attorney and she takes the case before the Grand Jury and a citation is issued. Seven criminal littering citations were issued; one violator was fined \$25.

**SITING:** Informed public of ordinance or procedure on placement of a solid waste management facility within a county.

**Educational Activity:**

**COLLECTION:** Newspaper article "Trash Talk" discussed advantages of being signed up for collection. Rumpke services and availability of roll off containers through Mason County or Rumpke discussed in news articles. Strong tire amnesty advertising in advertisements and flyers generated a 73% increase in the tire amnesty participation.

**DISPOSAL:** Facilities utilized were discussed in weekly "Trash Talk" articles.

**RECYCLING/REDUCTION:** Recycling grant awarded to four local schools. Recycling trailers were presented to each with assistance from Judge/Executive, Superintendents, and Principals. Packets of information on use of trailer and a video were supplied or shown to students, teachers and staff concerning proper recycling. Bi-monthly articles on recycling and drop off trailer locations in newspaper. County operates an ongoing e-scrap and metal collection program and notes this in news articles several times per year. Solid waste coordinators operate nine trailers and field many questions on a daily basis. Information handed out at "Community Day" events on recycling. "Trash Talk" articles always stress the three R's of recycling.

**ANTI-LITTERING:** Bracken County was successful in getting State Police Commissioner Jack Adams to agree to include KRS 512.070 within the next edition of the Kentucky Driver Manual. Flyers discussing KRS 512.070 and the effects of littering provided to county and city clerks, to schools and students during recycling trailer presentations, during tire amnesty, and during "Community Days." Trash Talk article often discusses effects of littering. Solid waste department conducted a C.U.B. (Clean Up Bracken) party at schools during Commonwealth Cleanup Week with door prizes to get school children interested in eliminating litter.

**ANTI-DUMPING:** Trash Talk article has encouraged mandatory collection and the reporting of dumping in an effort to eliminate dumping. "No dumping" signs have been posted and repeat sites are checked on a regular basis.

**ENFORCEMENT:** Many person-to-person contacts were made in an effort to decrease improper waste management practices. Three litterers were given community service and the incidents appeared in the newspaper as a deterrent for others.

**SITING:** None reported.

**Educational Activity:**

**COLLECTION:** The SWC wrote regular news articles for the various newspapers in the area. He also had regular radio announcements stating that collection was mandatory and how to participate.

**DISPOSAL:** The SWC utilized the local newspapers and radio to announce special cleanup events and to also inform citizens that the transfer station is available for legal disposal.

**RECYCLING/REDUCTION:** PRIDE funded a teacher to visit different schools in the county and talk to students about recycling/reduction. The teacher brought recyclables to school and the kids made various crafts from them. Breathitt Co provided \$5,000 toward this funding.

**ANTI-LITTERING:** The SWC frequently wrote about littering in his newspaper articles. He also mentioned littering problems several times a year on the radio. The SWC participated twice in a 30 minute talk show on the local radio station called "To the Point" where he told the public what was happening with various solid waste issues in Breathitt County.

**ANTI-DUMPING:** The SWC frequently wrote in the newspaper and spoke on the radio about illegal dumping. When searching for names in a dump, the SWC waits until a car drove past, then holds a piece of paper up so that the passing car can see him looking for names. Sometimes the paper doesn't have a name, but the people in the passing car doesn't know this. Yes, Breathitt County has a sneaky coordinator.

**ENFORCEMENT:** The SWC made regular visits to households not signed up on garbage service. He issued a written Notice of Violation to these households. If they failed to respond to the NOV, he filed a criminal complaint. Enforcement was frequently mentioned in newspaper articles and radio announcements.

**SITING:** None reported.

**COLLECTION:** For 2007, the Hopkinsville Solid Waste Authority announced that it would continue to offer trash services while the annual leaf collection was being conducted. Residents were advised through public service announcements and signage placed locally in their neighborhoods that the leaf pickup would be occurring.

**DISPOSAL:** None reported.

**RECYCLING/REDUCTION:** In 2007, the recycling education program for elementary school-age children was offered during Nature Fest at Jeffers Bend. The recycling program teaches the benefits of recycling, the cost of not recycling, and the process of recycling certain items. The program touches on the recyclability of aluminum, non ferrous metals and oil paint, plastic, paper, yard waste, electronics, and glass. The recycling education program is an ongoing part of Nature Fest and all educational events held at Jeffers Bend.

**ANTI-LITTERING:** In 2007, the Solid Waste Coordinator continued the Litter Awareness education program for elementary school-age children. The program is implemented throughout the school year at the Jeffers Bend Environmental Park. The program teaches the cost of litter as well as the environmental effects of litter. The program touches on the items that frequently become litter and how to react to litter bugs. The education program on litter was presented for the first time to students of the Christian County School System in 2006. In 2007, Christian County joined forces with Downtown Renaissance for the Annual Trick or Treat.

**Special Events:**

Downtown. The County provided Halloween themed litter bags and anti-litter educational materials to trick-or-treaters. The City of Hopkinsville and the County also placed anti-litter signage throughout the City and County.

**ANTI-DUMPING:** None reported.

**ENFORCEMENT:** The Hopkinsville-Christian County Planning Commission continued the enforcement of Chapter 93 of the Hopkinsville Code of Ordinances previously conducted by PRIDE, Inc. In addition, the Solid Waste Enforcement Officer enforces the Christian County Ordinance 91-2. The HCCPC and the Solid Waste Enforcement Officer write letters to property owners who are found to be in violation of the Solid Waste Ordinances, educating them on the correct practices regarding solid waste in the City of Hopkinsville and Christian County. In the City of Hopkinsville, offenders are brought before the Code Enforcement Board. Outside the City of Hopkinsville, offenders are required to appear in Court.

1,666.00		
Litter Costs / Litter Bags / Miles of Litter Cleaned		
\$52,456.77	4,937	1628

**Educational Activity:**

**COLLECTION:** The collection of materials that are included for recycling and/or for disposal are included during discussions and presentations regarding solid waste and are often noted in newspaper articles.

**DISPOSAL:** Proper disposal of solid waste is routinely included in all solid waste coordinator presentations. Presentations were conducted at summer camp at College Park and at the following elementary schools: Fannie Bush, Trapp, Providence and Shearer during 2007. Newspaper articles stress the importance and facts regarding solid waste disposal.

**RECYCLING/REDUCTION:** Presentations including a demonstration on waste reduction through recycling were conducted at Fannie Bush, Trapp, Providence and Shearer elementary schools. Solid waste coordinator presentations include information on recycling. All schools in Clark County participate in the telephone boc recycling contest in February. The winner of the contest received a cash prize. 210 students attended the 4-H Environmental Camp in September. The Future Farmers of America (FFA) assisted in the Spring and the Fall Steel/White Goods Recycling Events. Several school groups have visited these events to learn first hand about recycling. Homemakers collect and recycle pop can tabs to benefit the Children's Miracle Network. Two Rinse and Return farm chemical container

**Special Events:**

Christmas Tree Collection  
Fall Steel/White Goods Roundup  
KY River Sweep  
Operation PRIDE Community Cleanup  
Rinse and Return Pesticide Collection  
Spring Steel White goods Roundup  
Telephone Book Recycling

**Department for Environmental Protection

**SW Coordinator** Gary Epperson      Part-time

collection events are offered to the agriculture community.

**ANTI LITTERING:** Litter is a topic that is routinely included in presentations conducted by the solid waste coordinator. Presentations were conducted at Fannie Bush, Trapp, Providence and Shearer elementary schools in 2007. Numerous articles in the local newspaper cover litter prevention. Several schools, Boy and Girl Scout Troops, civic groups, and church youth groups participated during the community litter cleanup and learned first hand about the problems associated with litter. A litter song and two educational music videos were produced by the Clark County solid waste coordinator Gary Epperson and friends in 2007.

**ANTI DUMPING:** Illegal dumping is a topic that is routinely included in presentations conducted by the solid waste coordinator. Presentations were conducted at Fannie Bush, Trapp, Providence and Shearer elementary schools in 2007. Numerous articles in the local newspaper cover illegal dumping. Local schools participated in community dump cleanups and learned first hand about the problems associated with illegal dumping. Boy and girl scout troops, civic groups and church youth groups participated during the community litter cleanup and learned first hand about the problems associated with litter.

**ENFORCEMENT:** When violations occur and are investigated, the responsible parties become educated about laws and regulations regarding solid waste disposal. During presentations, the consequences of illegal activities are discussed.

**SITING:** None reported.

**COLLECTION:** The Division of Solid Waste sent out three newsletters to residential properties, schools, apartments and businesses with information on proper setout procedures for waste, yard waste and recyclables. The newsletters also discussed disposal options, enforcement issues, and special cleanup activities. Solid Waste personnel hosted a recurring government television show "At Your Service" addressing collection, recycling, disposal, littering, illegal dumping, composting, enforcement and special cleanup activities. Solid Waste staff also participated in other public access and local network news reports to highlight solid waste activities.

The Division of Solid Waste ran a commercial campaign on proper setout procedures on collection.

The Division of Solid Waste hosted booths at the Home & Garden Show, Fox Fest, Energy Expo and Green Living Expo. Information was given out on proper collection procedures; yard waste collection, home composting, enforcement issues, disposal options and the Rosie Recycling program.

The Office of Public Information sent out several press releases on holiday collection schedules.

Public Works sent out solid waste guides in English and Spanish on Recycling, Yard Waste, Garbage Collection, Call-In Collection and other disposal/recycling options.

The Division of Solid Waste personnel maintains a comprehensive website that provides information on all Solid Waste services.

[http://www.lfucg.com/pubworks/solid\\_waste/index.asp](http://www.lfucg.com/pubworks/solid_waste/index.asp)

**DISPOSAL:** The Division of Solid Waste sent out three newsletters to residential properties, schools, apartments and businesses with information on proper disposal options.

Solid Waste personnel hosted a recurring government television show "At Your Service" addressing disposal and other solid waste issues

"At Your Service" segments were also devoted to the proper disposal of Household Hazardous Waste, the Spring Clean, the Great American Cleanup, disposal issues relating to storm water, and disposal issues relating to sanitary sewers.

The Division of Solid Waste maintains a comprehensive website that provides information on all Solid Waste services.

**RECYCLING/REDUCTION:** The Division of Solid Waste sent out three newsletters to residential properties, schools, apartments and businesses with information on the LFCUG recycling program.

Recycling presentations were given to numerous groups and schools.

The Division of Solid Waste maintains a comprehensive website that provides information on recycling services.

Solid Waste sponsored a booth at the Lexington Home and Garden Show with a focus on yard waste management and home composting.

The Division of Solid Waste provided a solid waste information booth at Fox Fest and at the Roots and Heritage Festival. The booth provided information on recycling, composting, collection procedures and enforcement.

Public Works sent out solid waste guides in English and Spanish on Recycling, Yard Waste, Garbage Collection, Call-In Collection and other disposal/recycling options.

A series of radio and TV commercials were produced on the topic of recycling and aired on local stations.

**ANTI LITTERING:** Litter Outreach Program at the Explorium - 180 Students

Litter Education on Clear Channel - 7 interviews

Articles in school newsletter - 2

Litter education in classroom - 15 schools, 1,609 students

Litter education curriculum developed in Fayette schools

Public Works staff spoke on several radio and TV programs about special cleanup events such as Kentucky River Clean Sweep, Great American Cleanup and the Spring Clean.

A press conference for Lexington's Litter Buster campaign was held at 10:00 a.m. on Thursday, April 6th in the lobby of the Government Center located at 200 East Main St.

Litter is a problem that costs Lexington thousands of dollars each year through cleanup costs and lost economic development and tourism. The Litter Buster campaign is aimed a cleaning up and preventing litter through action, outreach and enforcement.

**ANTI DUMPING:** During an "At Your Service" program, UK student Will Tucker highlighted the devastating effects of illegal dumping and litter in streams through an art project made of litter imitating the flow of a stream.

The Division of Solid Waste sent out three residential newsletters and one school newsletter with information on proper setout procedures for waste, yard waste and recyclables. The newsletters also discussed disposal options, enforcement issues, and special cleanup activities.

**ENFORCEMENT:** Enforcement commercial aired on various media outlets outlining proper disposal methods.

The Division of Solid Waste sent out three residential newsletters and one school newsletter with information on proper disposal options, enforcement issues, and special cleanup activities.

The Division of Solid Waste maintains a comprehensive website that provides information on all Solid Waste services.

bring recyclable items. Children are given points based on the amount of recyclables brought to the location which they use to “buy” small toys and games. Children are given literature geared toward educating kids about the importance of recycling and also participate in a recycling trivia game that is featured at every third Saturday recycling event.

**Party on the Town Square:** This free event held one Friday night every June is geared toward educating all citizens about the importance of recycling and waste reduction. Literature, recycling giveaways, guest speakers, singers, games, and food are provided to all attendees in an effort to raise awareness about recycling. Recycling containers are placed throughout and representatives of the Solid Waste Committee work the crowd passing out information about recycling in Garrard County.

**Earth Day Festival:** This free event held every April is sponsored by numerous local organizations and is appropriate for all ages. Food, games, and a variety of booths and vendors who have an interest in recycling are featured. Citizens may bring recyclable items from plastic bottles to junk cars to the event with the appropriate recycling venue accepting the item at the festival. Literature and recycling giveaways are also a major part of the Earth Day Festival.

**ANTI-LITTERING: Beautify Garrard County Campaign:** This campaign begins in May and ends with the party on the square. Anti-litter t-shirts are sold, literature is passed out, posters are placed in businesses throughout the county, and numerous drawings for great prizes are held throughout the event. Citizens, businesses, civic organizations, and local governments are encouraged to spend one hour per week during the month of May picking up trash or cleaning illegal dumpsites. Pictures are taken of these cleanups and posted in the local newspaper. News stories in the local newspaper and radio are a major part of the campaign to assist in educating the public about the clean-up efforts in the county. The Judge/Executive declares this Month “Clean-up Garrard County Month” and t-shirts featuring the slogan “I Love Garrard County—Don’t Litter” are worn on a specific day by county employees as well as employees of many local businesses.

**ANTI-DUMPING: Letters to the Editor/News Articles:** Throughout the year, numerous illegal dumps are abated using county resources and employees. Each time a dump is cleaned, pictures and a news release are submitted to the local newspaper for publication. This is usually accompanied by a letter to the editor from the Solid Waste Coordinator or Solid Waste Committee Member discouraging illegal dumping and outlining its harmful impact on the environment.

**ENFORCEMENT:** The county solid waste ordinance clearly defines illegal dumping and sets penalties for violators. Warning letters were sent out and summonses were issued for illegal dumps and junk accumulations.

**SITING:** Since a siting ordinance was enacted in 2005, public hearings and meetings have received newspaper coverage in Lancaster and Danville.

\$72,744.85	3,563	1101

**Educational Activity:**

**COLLECTION:** The county has used brochures, news articles, presentations to school groups, Kiwanis, Home makers, women's groups, Chamber of Commerce and 109 Board meetings as well as a web site and visits by the Solid Waste Coordinator to educate the public on the mandatory collection ordinance.

**DISPOSAL:** The county has used brochures, news articles, presentations to school groups, Kiwanis, Home makers, women's groups, Chamber of Commerce and 109 Board meetings as well as a web site and visits by the Solid Waste Coordinator to educate the public that free disposal is available for those signed up for weekly collection.

**RECYCLING/REDUCTION:** The county has used brochures, news articles, presentations to school groups, Kiwanis, Home makers, women's groups, Chamber of Commerce and 109 Board meetings as well as a web site and visits by the Solid Waste Coordinator to educate the public of recycling options. Juvenile offenders given community service time can collect recyclables, donating the proceeds to a local food bank, as a way to complete their hours.

**ANTI-LITTERING:** The county has used brochures, news articles, presentations to school groups, Kiwanis, Home makers, women's groups, Chamber of Commerce and 109 Board meetings as well as a web site to discourage littering. County also requires a letter to the editor of non-profit groups that do litter cleanups.

**Special Events:**

**ANTI-DUMPING:** The county has used brochures, news articles, presentations to school groups, Kiwanis, Home makers, women's groups, Chamber of Commerce and 109 Board meetings as well as a web site and visits by the Solid Waste Coordinator to educate the public that illegal disposal is not allowed and that free disposal is available for those signed up for weekly collection.

**ENFORCEMENT:** The Solid Waste Coordinator and Planning and Zoning actively enforce the nuisance ordinance. NOV's are issued and, as part of any agreed orders, a letter to the Editor from the offender is required.

**SITING:** None reported.

**COLLECTION:** A newly updated website details locations available for recycling and solid waste disposal including bulky items, white goods, paint, and tires. Residents can email questions to the Coordinator. Household hazardous waste disposal tips are also included. A collection rate of \$1/month/household increase helps with door to door recycling program. Brochures are also distributed.

**DISPOSAL:** Updated, color recycling brochures outlining recycling drop-off locations in Henderson City, Corydon City and Henderson County as well as solid waste drop off locations and hours of operation. Phone numbers were include as well as information on how to report illegal dumping, how to prepare recyclable for drop-off and what can be accepted at each location. The brochures also include private companies that accept recyclables from the public and solid waste services for county residents. The SWC conducted radio programs to promote Commonwealth Cleanup Week, Tire Amnesty.

**RECYCLING/REDUCTION:** Free "Paper Shred Day" was advertised and held in conjunction with Earth Day. Over 5 tons of paper was shredded. Earth Day was celebrated with free tree seedling giveaways and aluminum can recycling trailer placed at Wal-Mart. All cans collected benefited Habitat for Humanity. Coloring books for children were distributed as well as drawings for prizes. Brochures outlining recycling and solid waste opportunities were distributed and radio advertising helped promote the event. Henderson County Fairgrounds placed permanent plastic fencing made from recycled materials as an example of recycled content products. Crushed glass was recycled and used in road bed construction. Christmas tree recycling netted over 5 tons. Advertising for these programs was in the local newspaper, on local radio and TV stations. A brochure was delivered to 13,000 households on what can be recycled, how to prepare it and when to take it if not picked up at residences. Two Rinse and Return events were advertised and conducted. City and County schools continued instruction on recycling programs. Schools can now safely store plastics, newspaper, aluminum cans, steel cans, magazines and office paper for recycling by the Henderson County Road Department for schools outside the city limits. Schools inside the city limits were included in the Henderson Curbside Recycling Program, which is now in its sixth year of service. "Wheels for the World" event collected wheelchairs and ambulatory aids. The Habitat for Humanity Re-Store advertised and collected construction material and used furniture and appliances out of the landfill. "Art of Recycling" contest drew artists from the Tri-State area to create art with recycled material.

**ANTI-LITTERING:** The City of Henderson and Police Department conducted a Community Cleanup and Cookout in conjunction with Operation Community Pride lasting for two weeks where residents could place bulky waste and tree limbs on the curb for free pickup. Radio station and local newspaper promoted the cleanup. Ohio River sweep was advertised for volunteers and conducted cleanup on two miles of shoreline. A trash brochure outlining the county ordinance and the state statutes regarding open burning, littering and the punishment was made available to residents who were found to be in violation of the county's illegal dumping, illegal burning, or littering ordinances. The brochures also included a Henderson County Illegal Dump and Solid Waste Hotline number to report illegal dumping, littering or to get more information about haulers. Fiscal Court sponsored 8 Community Cleanups at which roadways were cleaned by the Fiscal Court, Road Department, Detention Center Inmate Program, Tri-County Recycling and Operation Community Pride. Residents could set bulky waste on the curb for pickup by County Road Dept crews and inmates from the Henderson County Detention Center. Each household could also take four tires to the curb for pick up and recycling. These events were publicized through the newspaper and radio. Commonwealth Cleanup Week netted over 880 tires. Articles and pictures appeared in the newspaper. Road crews picked up litter along 6 miles of public roadways. Students painted recycling bins and placed at Newman Park recreational fields to encourage recycling and not to litter.

**ANTI-DUMPING:** Commonwealth Cleanup Week was promoted for volunteers after which names were entered in a statewide cash prize drawing. A website link to the Kentucky Division of Waste Management details what to do with hazardous waste. Residents can also find information on how to report illegal dumping either locally or anonymously through the state "1-888-NODUMPS" hotline. A trash brochure outlining the county ordinance and the state statutes regarding open burning, littering and the punishment for such crimes was made available to residents who were found to be in violation of the county's illegal dumping, illegal burning, or littering ordinances. The brochures also included a Henderson County Illegal Dump and Solid Waste Hotline number to report illegal dumping, littering or to get more information about haulers. The SWC and Code Enforcement Officer helped educate individuals on private property on solid waste ordinances.

**ENFORCEMENT:** Henderson County Fiscal Court continued to use undercover surveillance cameras in illegal dump enforcement. A trash brochure outlining the county ordinance and the state statutes regarding open burning, littering and the punishment was made available to residents who were found to be in violation of the county's illegal dumping, illegal burning, or littering ordinances. The brochures also included a Henderson County Illegal Dump and Solid Waste Hotline number to report illegal dumping, littering or to get more information about haulers.

**SITING:** Siting of landfills and other zoning issues are discussed monthly during regular Board of Zoning public meetings.

**Educational Activity:**

**COLLECTION:** The Business Office Paper Recycling Program area has expanded. The number of participants continues to increase and tonnages are up by ove 28 tons from the previous year.

**May 15 thru May 17:** The second annual Medication Disposal Program "Drug Toss" held at six locations throughout Louisville Metro. This was a partnership with AARP, KIPDA, TRIAD, and the Metro Police Narcotics Division. It promoted proper disposal of expired or unused medication. 381 pounds of medications were collected and destroyed and 80 pounds of empty containers were recycled.

**DISPOSAL:** March thru September: Each year, through a partnership with Louisville Metro's Air Pollution Control District, gas-powered lawn mowers and other equipment are recycled and a rebate is provided on electric-powered equipment. The Waste Reduction Center accepts the items and provides the rebate. In 2007 14 tons were recycled.

**Special Events:**

Christmas Tree Recycling

**SW Coordinator** Keith Hackett

Full-time

April 15 and October 15 : Began the semi-annual free junk drop-off days, which take place every spring and fall. Suburban residents who do not have regular junk collection are the primary targets but the events are open to all Metro residents. The event is held at the Waste Management Outer Loop Landfill, which co-sponsors the events, and any recyclable items are segregated. Tonnages for both events were 679 tons landfilled and 52 tons recycled.  
December: Produced and mailed the 2008 Project Pickup quarterly junk schedules to all households in the Urban Services District (formerly the City of Louisville limits.) The USD is divided into 12 areas and the corresponding brochures are sent to the specific areas.

**RECYCLING/REDUCTION:** March 26 and October 21: Began the semi-annual old telephone book recycling collection to coincide with the issuance of the new white pages and yellow pages. Businesses and residents were encouraged to recycle their books by placing them in special containers at two locations – one in the suburban area and one in the downtown area. Tonnage of telephone books recycled for these two events was 10.1 tons. This is a partnership with Inland Service Corporation, Kroger, and Waste Management of Kentucky.

April: Exhibited at Earth Day at the Zoo, highlighting recycling activities as well as providing brochures and giveaways to increase awareness to the services provided by the division.

April 18: Mayor announces expansion of electronics recycling program (CyberCycle), which will now accept televisions. The CyberCycle program recycles used electronic equipment such as computers, printers, VCRs and DVD players, game systems and televisions. Tonnage for 2007 was 206.95.

June 22 – July 8: 2007 Senior Games provided recycling containers and recycling stands for co-mingled and roll-offs for the collection of co-mingled and cardboard capturing over 3.5 tons of recyclable material (plastics, paper programs and cardboard).

July 11: Louisville Metro continues to expand non-staffed recycling drop-off locations in suburban areas. This brings the number of non-staffed centers to 13 with a total of 18 recycling centers including 5 staffed locations.

August 26: Ford Ironman Competition recycling containers and roll-offs were provided capturing 3.35 tons of recyclable materials (plastics and cardboard).

September 8: Third annual free document shredding event was held at the Louisville Zoo. Residents and businesses could watch their sensitive documents being shredded and learn how to protect themselves against identity theft. Shred-It donated its services for the event and Metro Police were on hand to provide tips on how to combat identity theft. This event resulted in 18.02 tons being recycled.

October: Partnered with Brightside, the local Keep America Beautiful affiliate; participated in the U.S. Conference of Mayors and Novelis Corporation Cans for Cash contest to bring awareness to aluminum can recycling. This is the third year Louisville Metro has participated in the campaign and has won the marketing and education campaign both years in the highest population class. Louisville received a \$5,000 cash prize and a \$2,500 award to Brightside, our local Keep America Beautiful affiliate.

December – January: Christmas tree recycling was held at four locations throughout Louisville Metro. This resulted in 8.23 tons of mulch being produced for use by the public and Louisville Metro's Parks and Brightside.

**ANTI-LITTERING:** Eco-Drama: Cost \$60,000. Eco-Drama, free of charge to all Louisville third grade classrooms, is an environmental education program coordinated in partnership with Stage One. Eco-Drama provides students and educators with an active approach to exploring environmental issues with drama-based instructional strategies. Since 2001, the program has reached over 16,733 students, over 700 teachers, and completed 75,298 hours of instruction.

Fred Wiche Award: Cost: \$12,000. Mayor Abramson, Brightside and the Wiche family honor individuals, groups and schools who exemplify Fred Wiche's commitment to preserve and improve the environment. Fred Wiche was Louisville's longtime television and radio garden expert. He gave his support and wisdom to Brightside's mission to keep Louisville clean, green and environmentally aware. Ideal candidates for the awards include teachers, garden clubs, gardeners, environmentalists, neighborhood associations and schools who share the late Mr. Wiche's sense of environmental stewardship. Since 1999, the program has awarded 17 schools with cash awards and honored 9 adult winners.

Keep it Clean Louisville High School Grant: Cost: Approximately \$9,000. Brightside offers cash grants to high schools participating in the annual Keep It Clean Louisville initiative for creating campus anti-litter campaigns. The top three performing high schools in Jefferson County earn additional cash incentives. One student will also receive a cash prize for taking a leadership role in campus anti-litter projects. Since the program's pilot year in 2005, the number of schools has continued to increase to more than 24 high schools which are participating in the program.

Youth Summit: Cost: Approximately \$9,000. Youth Summit is an interactive environmental workshop for area students in grades 4 -12. Held in the spring and fall of each year, the primary goal is to empower students to examine their personal choices and to address ways that each student can make small changes in their daily living that will result in improved health and environmental impact in Louisville. Youth Summit is hosted by the Partnership for a Green City, a consortium including Brightside, Jefferson County Public Schools, Louisville Metro and the University of Louisville. Since 2006 the program has reached over 405 students and over 107 teachers.

Summer camp partnership with Metro Parks:

Brightside delivers an environmental program to all Metro Parks Summer Camp sites as well as community based summer camp programs. These environmental presentations are free of charge to community based summer camp programs.

**ANTI-DUMPING:** Many of the programs discussed in the anti-littering section have segments on the effects of dumping and general land stewardship.

**ENFORCEMENT:** None reported.

**SITING:** None reported.

**Educational Activity:**

**COLLECTION:** Newspaper, radio and PRIDE education used to promote the Commonwealth Cleanup Week and PRIDE cleanups and to promote the use of the Knott County Transfer station. We also started in June to advertise a bulk material pick up by Knott County Works Program, free to all residents current on their solid waste billing.

**DISPOSAL:** We used the media above to encourage our residents to use the Knott County Transfer Station for free disposal of bulky items.

**RECYCLING/REDUCTION:** Newspaper and Carr Creek Elementary School PRIDE Club. Promoted the free disposal of used oil at the Road Department and started a recycling program at the Carr Creek Elementary School through their PRIDE Club. Encouraged the disposal of white goods at the Knott County Transfer Station.

**ANTI-LITTERING:** Media above was used to publish the efforts of the litter abatement program and to recruit volunteers for the spring cleanups. We also recruited non-profit groups to pick up litter for \$80/mile with a three mile limit.

**ANTI-DUMPING:** Newspaper, Radio and "Someone is Watching You" signs were used to promote the "Someone Is Watching You" program, which encourages people to report illegal dumpers. We also monitor and locate signs at the remote areas to discourage dumping.

**ENFORCEMENT:** Newspaper, letters of violation and court actions for non-compliance. Sent letters of non-compliance to all violators and summoned to court the ones that failed to respond to the letters. The newspaper reports the court actions weekly.

**SITING:** Furnish a copy of the Knott County Solid Waste Ordinance Siting section upon request.

**Educational Activity:**

**COLLECTION:** Household collection is addressed frequently in news articles as well as information distributed at the annual Expo in March, and during Lincoln Days in October at booths. Changes in collection are publicized in the Larue Herald News as needed.

**DISPOSAL:** Proper disposal is addressed during Commonwealth Cleanup Week and fall cleanup. Several schools have participated in Worm Composting with th SWC. Additionally the SWC taught four 8th grade science classes the many alternatives to solid waste disposal including recycling, composting, beneficial reusi (companies that can reuse other business waste for product), methane recovery, leachate reuse, reuse of tires for roads, crumb rubber, daily cover an as an alternate fuel/electricity, etc.

**RECYCLING/REDUCTION:** SWC writes articles, visits schools and civic organizations to discuss recycling, what is recyclable, how to prepare for its destination and reuse for new products. Recycling is done during CCW and Fall Cleanup, and Rinse and Return program.

**ANTI-LITTERING:** All littering cases are put in the news and the outcomes in court, additionally SWC speaks about litter in schools, and in articles in newspaper. Brochures are handed out annually from our booth for Lincoln Days and EXPO. Litter Crews are out and visible on a daily basis.

**Special Events:**

Commonwealth Cleanup Week / Spring Cleanup  
Fall Recycling Event

**Department for Environmental Protection  
Division of Waste Management  
2007 County Annual Report Summary**

**LARUE**  
Continued

**SW Coordinator** Jill Gray

Part-time

**ANTI-DUMPING:** SWC designed an open dump brochure, writes articles, and participates in CCW with cleanup activities all that week. Dump cleanup work is published in the paper as well as court news regarding all enforcement of dumpers.

**ENFORCEMENT:** All enforcement is documented in our local paper with pictures when possible. SWC regularly visits problem areas and is visible to public. Articles are written often regarding legal ways to dispose of waste to deter litterers and dumpers. SWC has received her ORI from the State Police to assist with being able to issue citations herself.

**SITING:** Our P&Z was challenged when someone recently attempted to place a recycling-type holding area in our county. With our current laws, the person has thus far been unsuccessful in that attempt to start the business here. Much has been in the paper regarding this issue.

**COLLECTION:** Set up exhibits and gave presentations to farmers at the Farm Lenders Day and the annual Farm Bureau meeting. Spoke to Crab Orchard and Hustonville 3rd and 4th graders on environmental education issues including garbage collection. Produced newspaper articles emphasizing the importance of increasing garbage collection participation.

**DISPOSAL:** Spoke to Farm Bureau and Farm Lenders regarding disposal issues.

**RECYCLING/REDUCTION:** Gave tours and showed recycling video to 200 students and teachers. Spoke to 260 students and teachers at local schools on recycling. Spoke to 200 Farm Bureau members and 100 farmers at the Farm Lenders Field Day on recycling pesticide containers.

**ANTI-LITTERING:** Spoke to the Farm Bureau, farmers, students, teachers on litter abatement solutions. Solid waste coordinator documented that 1,256 volunteers picked up 3,328 bags of litter on 246 miles of roadside in 2007.

**ANTI-DUMPING:** Spoke to the Farm Bureau, farmers, students, teachers on the problems associated with illegal dumping. The County Road Dept. cleaned several small dumps in 2007.

**ENFORCEMENT:** News articles highlighting the enforcement efforts of the judge executive and county attorney were published. The county hired a nuisance officer to educate the public on public nuisance and solid waste management violations.

**SITING:** None reported.

**COLLECTION:** Radio announcements notifying of holiday collection schedules, advertised dates and times of fiscal court meetings related to solid waste management.

**DISPOSAL:** Free radio spots on Saturdays advertising dump dates and hours. Announcements at Fiscal Court meetings regarding free dumpster and the City of Russellville and the county dumpsters at the road departments. Availability of dumpsters and their locations was advertised in local news paper.

**RECYCLING/REDUCTION:** Radio advertisement regarding meetings and dates. Assisted Russellville High School Science Club start recycling program. Recycling education provided by SWC for 5th grade classes sponsored by the USDA soil conservation office. Recycling education provided by SWC for Wal-Mart employee and they in turn held a week long recycle campaign to educate customers. Manned education booth was set up during annual Tobacco and Heritage Festival.

**ANTI-LITTERING:** Manned education booth was set up during annual Tobacco and Heritage Festival. Held the first semi-annual "Make a Difference Day in Logan County" to encourage litter pick up (month long campaign). Month long Litter education photo contest advertised on local radio station and at booth in Logan County Court Clerks Office, \$50 award given to winner. SWC used personal funds to provide ashtrays to people smoking on the streets and at entrance of Sheriff's office. Worked with Wal-Mart employees and the Kentucky Adopt-A-Highway program to encourage reusable cloth shopping bags instead of plastic bags.

**ANTI-DUMPING:** Illegal dumping and burning education provided by SWC for 5th grade classes sponsored by the USDA soil conservation office. SWC discussed illegal dump issues and upcoming cleanup opportunities such as Commonwealth Cleanup Week at Fiscal Court meetings. Manned education booth was set up during annual Tobacco and Heritage Festival.

**ENFORCEMENT:** Enforcement issues discussed as part of other education programs in schools and public events.

**SITING:** None reported.

**SW Coordinator** (Acting) Shelby Jones      Full-time

**COLLECTION:** Wrote newspaper articles for the Richmond Register-EKU Progress on garbage collection and disposal options, litter cleanup activities, recycling and household hazardous waste collection.

**DISPOSAL:** Solid Waste Department prepared slides outlining disposal options for the newly developed Madison County Government TV Station and updated the county web site with the same information. Solid Waste Coordinator volunteered at Bluegrass PRIDE to help get paint solidification crystals ready for distribution. Solid Waste Department had a booth at the Madison County Safety Day event with educational literature on household hazardous waste (HHW), waste tires and dump cleanup assistance.

**RECYCLING/REDUCTION:** Advertised cell phone and electronics recycling program on county government TV station and web site. Collaborated with the Richmond Recycling Center to educate elementary science classes on recycling concepts.

**ANTI LITTERING:** Planned and held KY River Sweep at Fort Boonesboro State Resort Park with Clark County. Conducted interviews with Channel 27 and 36, and had newspaper ads in Richmond and Berea. Conducted interviews with Wallingford Broadcasting Stations for coverage of the event. Worked with Chamber of Commerce on Pops in the Park committee for Litter-Free Event at White Hall State Resort Park. Worked with State Road Department and Adopt-a-Highway program to aid county results, and assign new roads. Oversee county and city Adopt-A-Road Programs.

**ANTI DUMPING:** Cleaned a large dump and wrote a newspaper article about the problem of illegal disposal. Placed "No Dumping" signs at problem dumping areas to discourage recurrence.

**ENFORCEMENT:** The county enforces solid waste ordinances and convictions are published in the local newspaper.

**SITING:** None reported.

**Educational Activity:**

COLLECTION: Coordinated and promoted the Pride Spring Cleanup using the local media and e-mail.

DISPOSAL: Used the local paper to advertise collection service and listed phone numbers of the local haulers.

RECYCLING/REDUCTION: Promoted the collection of e-scrap through the local schools.

ANTI-LITTERING: Used the Litter Letter Program. Utilized community service to assist in litter cleanup.

ANTI-DUMPING: Used the media to publicize the cleanup of dumps. Mike Roe of "Dirty Jobs" made an appearance to emphasize the need to stop dumping.

ENFORCEMENT: None reported.

SITING: Adopted a siting ordinance to provide for notification of new solid waste facilities that are being located in the county.

**SW Coordinator** Mary Shinkle

Full-time

Boone, Campbell, and Kenton Counties - cont'd

NKSWMA - January thru December (Documentation found in Appendix)

Boone County SWC provided monthly updates to the NKSWMA Governing Body regarding education and all NKSWMA events

Coordinated monthly to bi-monthly meetings with the Solid Waste Coordinators of Kenton and Campbell Counties

Newspaper Column: March through December Boone provided columns for use in the NKSWMA & on NKSWMA webpage (please see column titles under Boone County education)

NKSWMA Website: [www.boonecountky.org/nkswma.htm](http://www.boonecountky.org/nkswma.htm) operated and updated regularly by Boone County

Bi-Monthly Meetings for the NKSWMA Technical Advisory Committee (Boone SWC, Recording Secretary)

NKSWMA Resource Guide distributed to citizens at various exhibits, mail outs, and events conducted by Boone, Campbell, & Kenton Counties

Monthly to bi-monthly meetings of the NK Household Hazardous Waste Action Coalition (Education and awareness campaign) – activities and documentation found in education appendix of the Annual Report)

“The Interchange” – quarterly publication for area businesses to participate in waste exchanges among companies in Northern Kentucky and Great Cincinnati

“Landscapes” Conservation District quarterly newsletter

Recycling information for each NKSWMA county listed in Cincinnati Bell Yellow Pages’ 2007 Directory Recycling Program

NKSWMA Computer Recycling Event – sent PSA and flyers, cable show, website, etc.

NKSWMA Mercury Collection Event – sent PSA and flyers, cable show, website, etc.

Trash TV PSA– cable show for NKSWMA created and hosted by Becky Haltermo; shows feature businesses, schools, clubs, solid waste/environmental program and other special events. The program airs Tuesday and Thursdays on government access Channel 15 [copies of shows are available upon request (DVDs)]

PSA: Spring Cleanup events in Boone, Kenton & Campbell Counties

PSA: Fall Cleanup events in Boone, Kenton & Campbell Counties

Continuous planning of the Northern Kentucky Household Hazardous Waste Community Outreach Initiative

America Recycles Day – PSA and event postings; Boone encouraged County employees to buy recycled and recycle office paper;

“Trim Your Holiday Waste-line” for NKSWMA Webpage

Additional Education and Outreach performed by Boone County (Documentation found in Appendix):

Year-Long Programs:

Newspaper Column January thru December (column also appeared on Boone County webpage & was sent to each of the Cities):

January 2007: “A new start to doing my part for environment”

February 2007: “Tree huggers aren’t so kooky after all”

March 2007: “Each of us leaves an environmental footprint”

April 2007: “Environmental vegetarianism just makes sense”

May 2007: “Eco-geeks are finally cool, fabulously hip people”

June 2007: “Planet has fans”

July 2007: “Love the planet, love the US”

August 2007: “Recycling good for relationships”

September 2007: “Questions as important as answers”

October 2007: “It’s not (always) easy being green; questions OK”

November 2007: “Taking a stand against mismanaged trash”

December 2007: “Reduce, reuse, regift?”

Blog updated monthly, starting in May 2007

Chaired bi-monthly meetings for the Litter Abatement / Pride Posse Committee

Distributed anti-litter brochures, anti-cigarette litter brochures, anti-garbage mismanagement brochures and “How to Get Rid of It” Guides

January

“What’s Happening in Boone County” Winter/Spring 2007 Edition – 40,000 publications sent to Boone County residents, page 20

“Landscapes” January-February 2007 Edition

Flyer: 2007 Directory Recycling Program – Information about Boone County’s recycling program was distributed with every Cincinnati Bell Yellow Pages director in Northern Kentucky

Litter Abatement Campaign – Litterbug Coloring Calendar Contest. Winners appeared in Boone County Recorder and county website. Calendar featured drawings by children who were recognized at the Fiscal Court meeting and featured on public access cable TV show. 5000 calendars were distributed to schools, municipalities, libraries, citizens and county offices

Trash TV Episode 9 debut, featuring Coloring Calendar Contest winners. Copies of the show are available upon request.

Completed Phase 1 of Recreation Trails Fund Grant on Doe Run Nature Trail (Parks built 4 bridges spanning creeks that drain into Doe Run Lake and BSA Eagle Scouts have completed improvements on 2 trail sections)

**Additional Education and Outreach performed by the Boone, Campbell & Kenton Conservation District – documentation available upon request**  
Education and Outreach Boone

Your Place in a Growing Community - The Boone, Campbell and Kenton County Conservation Districts jointly sponsored a series of workshops in January, February, March and April to look at resource planning on your property and why what you do on your land can have a huge impact in the neighborhood. Session included Beyond Landscaping; rain barrels and rain gardens; managing invasive species; issues and trends; and the condition of local waterways and watersheds. The last session took participants to Camp Michaels and Boone Woods Park to walk their watersheds. Over 20 people participated in the series. Guest speakers included Heather Mayfield with ORSANCO, Matt Whooten with Sanitation District #1, and Conservation District staff Mary Kathryn Dickerson and Mark Jacobs.  
Big Bone Lick State Park Discovery Days - "Would Lewis and Clark have found me here" was the theme for the exhibit this year which featured common plants of the area and invited visitors to identify them and learn about their history. District programs were also highlighted. Over 500 people visited the booth during the festival. Board members and staff from the Boone, Campbell and Kenton Districts helped with the exhibit.  
Board members hosted a booth at the Boone County 4-H and Utopia Fair. The booth featured Best Management Practices and native warm season grasses and other pasture improvement methods.

**2007 County Annual Report Summary**

**Boone, Campbell, and Kenton Counties - cont'd**

District board members and staff participated in the "Spring Fling" Arboretum Day in June at Central Park. The display featured native plants and information on how to rid your property of invasive, exotic plants.

**Education Grants** - The Boone County Conservation District has been awarding grants to county educational institutions since 1994. Grant applications are accepted from October through January each year. This year, Goodridge Elementary School received \$941 for their Kentucky Heritage Garden and Greenhouse project.

**Programs for Teachers** - The district supports the NKU Environmental Education Alliance and the Environmental Education in No. Ky. Resource Guide is available through the District office.

**Programs for Students** - Mark Jacobs and Mary Kathryn Dickerson taught classes for over 300 individuals this year through the Sanitation District #1 Waterific program. Dickerson assisted the Boone County Cooperative Extension Service and Boone County Schools with a soils class for 5th grade students attending the overnight Environmental Camp at North Central 4-H Camp.

**Writing and Art Contests** - Kentucky's Soil - It's Worth Protecting was the topic for this school year's Conservation Contests. The theme focused on soil composition, its importance, and ways that all citizens can help protect, restore, and conserve Kentucky's soil. In Boone County, county and school winners received a certificate of achievement from The Courier Journal, and a Life in a Bucket of Soil book from the Conservation District. Teachers received a Life in a Bucket of Soil book from the conservation district. Students and teachers also received educational materials about soils. These included: Dig In - Hands On Soil Investigations, Amazing Soil Stories, Search for Soil, Soil Biology, and Conserving Soil. Twelve schools participated in the contests this year. This year there were 221 entries in the Art Contest and 61 entries in the Writing Contest.

**The World Beneath Your Feet** - These workshops were held to promote the Writing and Art Contests and attracted over 20 teachers, parents and students to help them prepare for the contest. The workshops featured materials and activities about soils.

**Newsletters** - The quarterly newsletter, Landscapes, reaches over 2,500 Boone County households.

**Web Site** - The Conservation District web site is provided through the Boone County Fiscal Court at [www.boonecountyky.org/bccd/default.aspx](http://www.boonecountyky.org/bccd/default.aspx)

**Education and Outreach Campbell**

**Your Place in a Growing Community** - see above

**Urban Forestry Grants** - The Campbell County Conservation District has been giving matching grants for Urban Forestry and Community Beautification since 1993 to help cities and communities establish programs or develop projects to protect and conserve our natural resources. The project must be done on lands located in Campbell County that are owned, leased, or otherwise controlled by city, county, state, or federal government and must include funding or in-kind contributions in an amount equal to the grant request. This year three grants were awarded. The City of Melbourne received \$900 for the Laton Avenue Street Beautification project, phase 3; the City of Newport received \$1,300 for the Newport Downtown Renaissance District project; and the City of Bellevue received \$1,300 to continue their program to plant street trees and remove invasive street tree species along Berry Street.

**Education Grants** - The Campbell County Conservation District has offered education grants since 1991 to assist schools in fostering learning about conservation and our environment. Grant applications are accepted from October through January each year. This year three grants were awarded: Sonlight Ridge Academy received \$250 to help with construction of an Aquatic and Botanical Garden Learning Center; Newport Middle School received \$1,000 for their Environmental Education Initiative in partnership with Lafarge Gypsum of North America; and Sts. Peter and Paul received \$500 for improvements to an outdoor learning center that was recently established at the school.

**Workshops and Programs**

- The district reached over 300 individuals this year through programs for schools and the Sanitation District #1 Waterific program.
- The district supports the NKU Environmental Education Alliance and the Environmental Education in No. Ky. Resource is available through the district office.
- Caitlin Jo Foltz, Michelle Marie Simon and Brittany Ann Peters were awarded scholarships through the Campbell County Conservation District.
- The Campbell County Conservation District supports the Kentucky Association of Conservation Districts Auxiliary Scholarship program through a donation of money. Items for the annual auction are donated by board members.
- **Writing and Art Contests** - "Kentucky's Soil - It's Worth Protecting" was the topic for this school year's Conservation Contests. In the Art Contest there were 24 entries from seven schools. This year in the Writing Contest, there were 155 entries written in five schools. County and school winners received a certificate of achievement from The Courier Journal, and from the Conservation District, a Compost Gin Card Game, or a Squirming in the Soil, depending on their grade level. Teachers received a Life in a Bucket of Soil book from the Conservation District.
- **The World Beneath Your Feet** workshops sponsored to promote the Writing and Art Contests attracted over 20 teachers, parents and students to help them prepare for the contest. The workshops featured materials and activities about soils.
- Kathleen Kreimborg, St. Therese School, was the recipient of the District's teacher incentive award.
- Greg Rawe, Gubser Mill, was chosen as the Campbell County Conservation District Outstanding Cooperator.
- The quarterly newsletter, Landscapes, reaches over 1,800 Campbell County households.
- Board member Larry Varney maintains a web site for the District, at <http://home.fuse.net/campbellcd>
- Board members participated in the Alexandria Fair & Horse Show by purchasing a fair book advertisement with the theme, "From City to Country, Conservation Works," focusing on the Campbell County Farmland Study.
- Big Bone Lick State Park Discovery Days - please see above

**Education and Outreach Kenton**

**Your Place in a Growing Community** - please see above

**Big Bone Lick State Park Discovery Days** - please see above

**Writing and Art Contests** - Kentucky's Soil - It's Worth Protecting - This year there were 417 entries in the Art Contest and 342 entries in the Writing Contest.

**The World Beneath Your Feet** - These workshops were held to promote the Writing and Art Contests and attracted over 20 teachers, parents and students to help them prepare for the contest. The workshops featured materials and activities about soils.

**Education Grants** - The Kenton County Conservation District has been awarding grants to county educational institutions since 1989. This year, St. Augustine

**Boone, Campbell, and Kenton Counties - cont'd**

School in Covington received \$200 to purchase science books for their school library, and Holy Cross Elementary School received \$200 for conservation materials and magazines for their school library.

**Programs for Teachers** - The district supports the NKU Environmental Education Alliance and the Environmental Education in No. Ky. Resource Guide is available through the District office.

**Programs for Students** - Mark Jacobs and Mary Kathryn Dickerson taught classes for over 300 individuals this year through the Sanitation District #1

**Waterific program** and Dickerson assisted Beechwood High School teacher Suzy Wera with a field trip for her seventh grade students at Highland Cemetery where they studied water and forests.

**Kenton County Community Education** – The Conservation District sponsored two programs this year. Board member Peggy Kelly led a hike and program at Doe Run Lake and Mark Jacobs led a hike and program at Split Rock Conservation Park. Over 35 people participated in the programs.

**Web Site** - The Conservation District web site is provided through the Kenton County Fiscal Court at [www.kentoncounty.org](http://www.kentoncounty.org).

**Newsletters** - The quarterly newsletter, Landscapes, reaches 1,485 Kenton County households.

**Additional Education and Outreach** performed by the Sanitation District No. 1 (serving Boone, Campbell & Kenton Counties) – documentation available upon request

**Tours of District's Main Office & Public Service Park**

Dedicated to those who enhance Northern Kentucky's quality of life through public service, Public Service Park is an example of the District's leadership in water pollution prevention practices, also known as best management practices (BMPs). The park is an aggressive approach to empower and educate the public on the vital importance of protecting our waterways for future generations to come. Featuring storm water BMPs and cutting edge public educational programming, Public Service Park is targeted at all audiences.

Continued

**COLLECTION:** Media resources used for education information and advertising. News releases, interviews for stories on-air and print; advertising on radio and newspaper. Door hangers or post-it notes distributed by franchisees to customers. Use of educational videos.

**DISPOSAL:** News releases & interviews directed to general public to inform of mandatory waste pickup ordinances and illegal dumping penalties. Proper set out times and collection standards promoted.

**RECYCLING/REDUCTION:** Reduction, Reuse and Recycle components included in all educational projects. News media used to promote coordinated programs. Drive to a Million recycling program continues and expand City of Bowling Green, area schools and private businesses.

**ANTI-LITTERING:** Proper Disposal of waste products addressed in all educational projects. The public was informed of the cost of removing litter and illegal dumps and of consequences of improper disposal. Use of media to inform people of criminal littering statute. Keep It Clean B.G.

**ANTI-DUMPING:** Worked with code enforcement boards, law enforcement agencies, schools and county attorney's office to issue warnings, notices and citations if needed. Continued to promote 1-888-NO-DUMPS hotline and Keep It Clean Bowling Green campaigns.

**ENFORCEMENT:** Proper disposal of waste products addressed in all education projects. Utilizing code enforcement process and its notices of violation to inform people of correct actions. Utilizing City of Bowling Green's Summer Stroll programs to disseminate information.

**SITING:** (Ordinance or procedure on placement of solid waste management facility within a county): City-County Planning Commission requires conditional use permit and sometimes a change in zoning designation for waste facilities. Informational literature distributed with applications. Using Office of Storm water Management to assist in communicating concerns.

**WASHINGTON**  
Continued

**Educational Activity:**

**COLLECTION:** None reported.

**DISPOSAL:** Provided copies of annual franchisee holiday schedule.

**RECYCLING/REDUCTION:** Helped Toytomi develop TV commercials promoting recycling. With Keith Brock, Marion Co SWC, we developed a program with TGI KY to furnish us with their metal bins which were used to ship products to them from overseas. We will use as recycling containers throughout Marion & Washington Counties. Develop newspaper ad congratulating residents for recycling 1015 tons of waste.

**ANTI-LITTERING:** April 2007 we initiated anti-litter campaign by mailing letters to scout troops, churches and non profit groups county wide. Continued litter notices to identified litterers.

**ANTI-DUMPING:** Developed and had placed no dumping signs at recurring dumpsites on Bluegrass Road.

**ENFORCEMENT:** Continued 'report a litterer' and letters to litterers.

**SITING:** None reported.

**COLLECTION:** New color brochures outlined recycling drop-off locations in Webster County as well as solid waste drop off (compaction) locations and hours of operation. Phone numbers were included for questions, information on how to report illegal dumping, how to prepare recyclables for drop-off and what can be accepted at each location. The brochures also include private companies that accept recyclables from the public and solid waste services for county residents. Brochures were distributed throughout the schools and in the community. Solid waste information on household waste, bulky items and tires was provided in the brochures. Household hazardous waste disposal tips are included. The Five Year Plan was updated, advertised and passed.

**DISPOSAL:** An updated website [www.tricountyrecycling.com](http://www.tricountyrecycling.com) details all locations available to the public in Webster County for recycling and solid waste disposal. Residents can call or email specific questions to the SWC. Household hazardous waste disposal tips are included such as how to dispose of paint and medical sharps.

**RECYCLING/REDUCTION:** Webster City and County schools and District office continued the extensive school recycling program. Schools can now safely store plastics, newspaper, aluminum cans, steel cans, magazines and office paper for recycling by the Road Department. Webster County Road Department continued their aggressive cardboard recycling project which doubled the recycled amount from last year. The program weekly service provided cardboard recycling boxes to businesses and the cardboard was baled and trucked directly to the Weyerhaeuser Mill in Henderson. The newspapers covered recycling and solid waste issues as presented to the Webster County Fiscal Court. The advertised farm pesticide recycling program collected 1960 pounds during two drop-off days. Over 10 tons of glass was recycled and transported to the Henderson Recycling Facility where it was crushed and used in the nationally acclaimed glass roadbed construction project. The areas first electronics and mercury collection events was sponsored by Wal-mart, W Ky Energy and Ky Utilities and Tri-County Recycling Alliance. Webster County received a recycling grant from the state for \$106,800 for education and equipment to enhance recycling efforts. There was "Art of Recycling" contest with much publicity. The first ever "Wheels for the World" recycling event collected wheelchairs, walkers, crutches and canes and distributed free food and recycling brochures. Recycling and convenience center location and hours and items collected were publicized through the local newspapers and brochures.

**ANTI-LITTERING:** The City of Sebree conducted a Community Cleanup in conjunction with Webster County Road Department. Residents could place bulky waste on the curb for free pickup by city sanitation workers. Trees and limbs were collected by City of Sebree sanitation crew. Street sweepers helped clean litter from city streets through out the year. Tri-County Recycling Alliance coordinator conducted several radio programs to promote the Commonwealth Cleanup Week and Tire Amnesty program where residents could register their dumps with the county and receive free disposal of illegally dumped tires. Presentations were conducted in the schools to educate students and staff of their recycling and solid waste options in Webster County. Litter cleanup events, organized by the City of Providence were conducted twice in 2007. Webster County Fiscal Court and Road Department conducted windshield surveys during Commonwealth Cleanup Week and collected all tires located on state and county right-of-way, covering over 500 miles of state and county roads. Volunteers registered for cleanup activities at the Webster County Road Department. Inmates from the local jail cleaned litter along public roads throughout the year.

**ANTI-DUMPING:** Residents can find information on how to report illegal dumping either locally or anonymously through the state "1-888-NODUMPS" hotline. All recycling and solid waste services are provided at no charge to county residents. Recycling and Solid Waste Coordinator conducted several radio and television interviews to explain illegal dumping harms the environment and what additional enforcement Webster County was going to take to prevent illegal dumping. County attorney continues to actively enforce and report illegal dumping laws.

**ENFORCEMENT:** Brochures from Division of Air Quality were distributed to individuals caught illegally dumping or burning waste. Articles appeared in the local newspapers which covers Webster County concerning the no-burn ordinances and State regulations concerning burning.

**SITING:** None Reported

**Educational Activity:**

**COLLECTION:** The Woodford County Recycling Center (WCRC) provides information and fact sheets about all aspects of solid waste including garbage collection. Garbage collectors offer their services to all within the cities and county.

**DISPOSAL:** Appropriate disposal of waste is discussed at various events, and articles are published in the Woodford Sun newspaper.

**RECYCLING/REDUCTION:** The WCRC collects recyclables from six area schools, several businesses and households throughout the county. Recycling promoted at civic meetings, through newspaper articles and at school presentations.

**Special Events:**

America Recycles Day

Woodford County Safety Fair

**Department for Environmental Protection  
Division of Waste Management  
2007 County Annual Report Summary**

**WOODFORD**  
Continued

**SW Coordinator** Wade Johnson

Full-time

**ANTI-LITTERING:** County and city governments promote and participate in roadside cleanups. Events are promoted through radio PSAs and articles in the Woodford Sun. The WCRC promotes the importance of a clean community.

**ANTI-DUMPING:** The WCRC / transfer station accepts most materials removed from open dumps free of charge. Woodford Sun articles and radio PSAs encourage citizens to report illegal dumping and to participate in volunteer cleanup events.

**ENFORCEMENT:** The WCRC sends out 14 day compliance letters to property owners violating county solid waste ordinances. Most recipients correct the problem voluntarily.

**SITING:** Siting is addressed by Planning and Zoning regulations. Public notices are published in the Woodford Sun regarding solid waste related facilities.
